

Technical cross-section diagram of a window assembly. The diagram illustrates the internal structure of the window frame and the glazing unit. Key components and their reference labels are as follows:

- A46**: Points to the upper part of the window frame or sash.
- A49**: Points to the central part of the window frame or sash.
- A50**: Points to the lower part of the window frame or sash.
- M03**: Points to the bottom seal or gasket.
- A57**: Points to the bottom part of the window frame or sash.

The diagram also shows a cross-section of the glazing unit, which is a double-paneled unit with a central spacer bar. The entire assembly is shown within a dashed rectangular frame.

07 STEEL LATCH / TERASEST RIIV / TĚRAUDA FIKSÁTOR

1/10

Steel latch for sliding wood panels by Häfele or similar.

Häfele toodetud terasest riiv puudist paneelide libistamiseks või samane.

TĚrauda fiksátor bĚdānnĚm koka paneelĚm, Häfele vai lĚzvērtġgs rāzotājs.

Technical drawing of a door assembly. A door leaf (A53) is shown with a door handle (A52) mounted on it. The handle is connected to a mechanism on the door frame. The drawing is a cross-section view, showing the internal components of the handle and the door frame.

This diagram illustrates the exploded view of the table assembly. It shows the following components and their assembly points:

- A52**: A small circular component, likely a screw or bolt, shown at the top left corner of the table top.
- A53**: A long, rectangular wooden board that forms the main surface of the table top.
- A46**: A rectangular wooden board that forms the side panel of the table, shown below the main top board.

Dashed lines indicate the intended assembly positions and alignment of the components.
